Assessment Requirements:

You must provide the following:

- *A cover page outlining your topic and what you produced.*
- *A hard copy of your work.*
- *A bibliography. A complete list of all the resources you used including books, internet addresses, surveys, interviews*
- *Your record of progress.*
- *This self-assessment sheet.*

1. What did you hope to achieve when you started the task?

2. What are the most successful aspects of your final product?

3. What difficulties did you experience? How could these difficulties have been overcome?

4. What skills did you learn or develop while doing this task? (Think about things like working in a team, using technology, speaking to different people, writing for different purposes.)

5. What were the things you enjoyed most about this task? What did you enjoy least?

6. What do you suggest could be changed to improve this unit? Were the instructions clear? Did you get enough help?

7. Look at the criteria. Make a comment and assess yourself on the three most relevant to your work.
